## Dear Southern Member

Welcome to your 2020 Southern Section Diary of Events.

These events will be run strictly in accordance with the BMW Club's insurance guidelines for your safety and protection.

We hope you will find the diary useful and find something to your liking with both new as well as the tried & tested events available in your area.

If you are new to the Club please come along and introduce yourself so that we can make you feel welcome.

We welcome all suggestions of events for next years diary particularly if your requirements are not catered for, we also need volunteers to help run events.

Please keep a close eye on the monthly journal as well as the Club & Southern Section websites for changes, further details as well as any additional events.

We wish you safe riding and look forward to seeing you out & about over the coming year, hopefully we will be provided with better motorcycling weather.

**The Southern Section Committee**

## Never attended an event before....

### Why Not?

Maybe now is the time to come along and make some new friends. Let us know you are new or attending for the first time so we can make you feel welcome.

### Can't make the whole event....

Why not just pop along and say hello but **remember**, weekend events normally finish on the Sunday when people head for home.

For any day visits, Saturday will be the best option.

## Keeping in Touch—Let us have your current email address!

The Social Team endeavour to publish this 'Diary of Events' with accurate information however things do change.

In order to keep all members up to date we generally email a monthly update to section members as well as updating the website, if you are not receiving this communication please forward your details to: [social@thebmwclubsouthern.com](mailto:social@thebmwclubsouthern.com)

**Please Make all Cheques in payment for events etc. payable To:
